

**CHAMBER CHOICE  
EXCLUSIVE ENDORSED  
ENERGY CONSULTANT!**

## WHY ONDEMAND ENERGY?

We offer solutions for all segments of the market, from residential, to small business, up to a large industrials.

We are the largest consultant in Pennsylvania with an annual load of approximately 11 billion kWh's and a \$2.2 billion managed portfolio.

Our partnership with 27 energy suppliers guarantees that our clients receive the most competitive pricing from the leading suppliers in the market.

We offer the widest array of supply products available, including fixed price, blended block and index, shaped block and index to your actual usage, layered fixed, and managed pool products.

We have more leverage than any other consultant in the PJM territory, and that directly benefits our clients, not only on pricing, but any potential issues that might arise with contract language, enrollment, billing, etc.

Allow us to provide you the most optimal cost-saving and customized solution for your energy needs!
